

HIGHER POTENTIAL LOWER COSTS

Gain access to new customer groups and reduce your payment costs. With **giropay**, **eps** and **iDEAL**, you can rely on popular European online banking based e-payment methods including an irrevocable payment guarantee.

- ✓ For your customers from Germany
- ✓ Over 35 million potential users

- ✓ For your customers from Austria
- ✓ Over 4 million potential users

- ✓ For your customers in the Netherlands
- ✓ Market leader in online payment methods

SIMPLE INTEGRATION VIA UATP

GiroSolution is the specialist for guaranteed European online banking based e-payment methods, offering acquiring and technical integration from a single source. Airlines profit from the cooperation with **UATP** because the integration of alternative payment methods is simple and fast.

Your benefits at a glance:

- ✓ No payment defaults, because the payment is irrevocably guaranteed by the customer's bank.
- ✓ Large number of potential customers using online transfers as a preferred payment method.
- ✓ Simple, fast and cost- as well as resource-saving integration via UATP.
- ✓ Significantly lower transaction costs compared to other payment methods, such as credit card.
